A Strategic Alliance in Community Development and Crime Prevention through Prison Ministry

April 1, 2010

Dear Friend,

LD Ministries and the Committee Organizing Assistance and Community Help Foundation, Inc. have joined together to form a strategic alliance committed to assisting our communities in community development, evangelistic outreach and crime prevention by hosting an Annual Ministry Crusade in our Florida State Correctional System.

The COACH Foundation is a non-profit 501 3 c organization that was established in 1981 and has been committed to providing services to Tampa Bay's economically depressed areas and helps to provide stable living and learning environments for both youth and adult growth. The COACH Foundation and it's leadership is also committed to assisting individuals who are incarcerated and their families before, during and after their incarceration and has been committed to this cause since 1979. **LD Ministries** is an inter-denominational evangelistic and outreach ministry committed to spreading the message of faith, hope, inspiration, and motivation. LD Ministries mission is to share the message of hope by strengthening local churches through discipleship, renewal and training activities and providing outreach services in non-traditional settings. LD Ministries founder has served as a Volunteer Chaplain for the Florida Department of Corrections for the last ten years.

At this time we are requesting toiletry/donations to meet the objectives and goals of our upcoming **2010 Spring Grace in Motion Prison Crusade** taking place Friday, May 28th - Sunday May 30th, 2010 at the Lowell Correctional Women's Facility. *(See Attached)*.

Lowell Correctional Institution is the State of Florida's oldest and largest women's correctional facility and houses youth and pregnant offenders, as well as the only woman on death row.

The **purpose** of this event is to offer spiritual assistance, educational resources, emotional counseling and toiletries to holistically motivate these incarcerated women out of their past lifestyles and to reduce re-entry and recidivism. Our crusade team includes certified teachers and counselors, health care workers, nutritionists, ex-offenders, entrepreneurs, inter-denominational ministers, musicians, women and even youth from across the country.

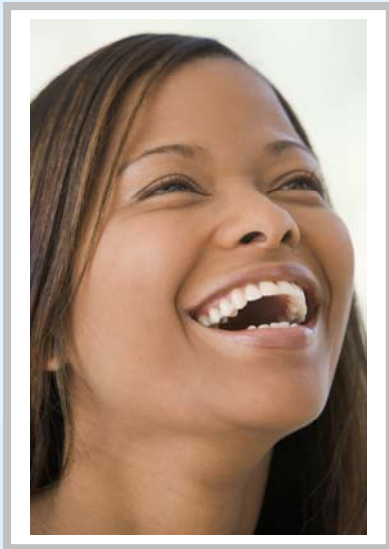

All donations are tax deductible and will be used to help these women through their rehabilitation process and assist them in reaching their full potential in becoming productive citizens of this State as well as our Country. Your donation of any size will greatly be appreciated and will be used to help us reach our goal. Each gift/donation given to this endeavor will be given the appraised value of the items.

Thank you in advance for your support.
